

VistaCoat® Premium System Warranty

**SFS Group USA, Inc.
Roofing & Cladding**

Limited Warranty Declaration

VistaCoat® Premium System

SFS Group USA, Inc. (SFS) warrants its carbon steel fasteners, coated with VistaCoat® Premium System, against structural failure as defined below, due to exposure to normal atmospheric corrosion for a period of 10 years after shipment, subject to the express conditions stated below.

Red rust corrosion of carbon fasteners will occur naturally over time at various rates depending on installation technique, local environmental conditions, socket condition and fit, and other factors.

Structural failure of the fastener will be deemed to have occurred when the fastener will no longer retain the sheet as required in a normal building application.

This warranty DOES NOT APPLY to any fasteners exposed to corrosive or aggressive atmospheric conditions including, but not limited to, areas subject to tide or salt water, fallout or exposure to corrosive chemicals, ash, fumes, nuclear radiation, acid rain, or where corrosive fumes or condensates are generated or released inside the building.

The warranty DOES NOT APPLY if the failure was caused by improper application of the fastener, use of faulty or worn sockets, in-transit or job site damage, improper storage, improper installation of the fastener, external forces, explosions, fires, "acts of God", or natural disasters. This warranty applies only to buyer and is not transferable or assignable.

SFS shall make the exclusive determination as to whether a failure within the terms of this warranty has occurred. If it is determined by SFS that a breach of warranty has occurred, SFS will provide replacement fasteners in quantities

sufficient to permit buyer to fully replace all failed fasteners or refund to buyer the original cost of the failed fasteners. SFS's sole responsibility for breach of this warranty shall be limited exclusively to replacement of the failed fasteners, or at the sole option of SFS, to refund the original cost of the failed fasteners.

Notification of a claim under this warranty must be submitted in writing within thirty days after discovery of a warranted failure, to SFS Group USA, Inc., 1045 Spring Street, Wyomissing, PA 19610. SFS will examine, or cause to be examined, the fasteners in question. Buyer will furnish adequate identification on the fasteners involved in the claim and date of shipment.

This warranty applies only to the original buyer and is not transferable or assignable.

THE WARRANTY AND REMEDIES STATED HEREIN ARE EXCLUSIVE OF AND IN LIEU OF ALL OTHER WARRANTIES, EXPRESS OR IMPLIED, INCLUDING ANY IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR PURPOSE. THERE ARE NO OTHER WARRANTIES, EXPRESS OR IMPLIED, EXCEPT THOSE STATED HEREIN. UNDER NO CIRCUMSTANCES SHALL SFS'S LIABILITY UNDER THIS WARRANTY EXCEED THE AMOUNTS STIPULATED ABOVE, NOR SHALL SUCH LIABILITY BE CONSTRUED AS EXTENDING TO ANYTHING OTHER THAN THE COST OF REPLACING FAULTY FASTENERS. IN NO EVENT SHALL SFS BE LIABLE FOR ANY INCIDENTAL OR CONSEQUENTIAL DAMAGES ARISING FROM THE USE OF THE FASTENERS, OR ANY BREACH OF THIS WARRANTY.
